

*2009-10 Defender Invitational
Tournament*

Things to note for the Tournament:

- We will try to keep 10 minutes warm-up times as close as possible. The team listed as “home” will be the home team **and they are responsible for leading devotions** for both teams a half-hour before the start of the games on Saturday January 30th.
- The tournament will begin at 4:00 PM on Friday January 29th and will wrap up with the championship for the boys on Saturday January 30th at 4:00 PM. Two officials are assigned for each game.
- If there is a game, which has a twenty point difference, there will be a running clock. The clock will run at the start of the fourth quarter or as soon as the 20 point difference is reached in the fourth quarter. The clock will only stop for time-outs and injuries, or if the difference is below 20 points.
- We are here to compete and glorify God and our Lord Jesus Christ in our actions as players, coaches and fans. We are also here to fellowship. Please take time to talk with other coaches and players and encourage each other.
- Warm-up balls will be provided.
- Please keep a score book whether you're home or away. But all information at the conclusion of each game will be added to the official tournament scorebook.

This is a pool play type tournament where every team will play 3 games for girls and only 2 for boys since there is a shortage of teams. If any one team wins out then that team will play for the championship, in the event teams have the same record, then advancement will be determined by the following guidelines:

1. **Overall Record (if team wins all games then that team most likely will be in championship)**
2. **Head-to head (will determine boys tournament final with point differential because one team will play 3 games)**
3. **Point differential (in wins and losses)**
4. **Coin toss**
